

THE DIARIES OF ELIZABETH ANN CAMPBELL

Elizabeth Ann (Lizzie) Campbell, the daughter of John A. Campbell and Hannah Demarest, was born 14 Sep 1849 (from diary "14 Sep 1868 today is my nineteenth birthday), in Park Ridge, Berge County, NJ. She was baptized as Elizabeth Ann, daughter of John and Hannah Campbell, at Pascack Reformed Dutch Church. [Church Records give only one date that of 4 Sep 1849.] She began writing her diaies whenshe was 16 and continued until she was

She d. 29 Jan 1931, unmarried at her home on Main Street in Park Ridge, and is buried with her parents in the Pascack Reformed Cemetery there. She never married. Her obituary said her death "closed the career of the last surviving person to be engaged in wampum making." Her father and his three brothers, and their firm the Campbell Brothers made wampum in a mill at Park Ridge using a drilling machine invented by her Uncle James. The process was a closely guarded family secret. The only exist-ing wampum drilling machine is on exhibit at the Pascack Historical Society in Park Ridge, NJ. The obitu-ary also stated, " Miss Campbell who was 81 years old, one of the oldest residents of Park Ridge, had long been without the use of her lower limbs, but had a happy disposition."
