U.S. DRAFT REGISTRATION RECORDS OF WORLD WAR I

World War I draft registration records are part of the Records of the Selective Service System (World War I), Records Group 163 and are kept in the Atlanta Branch of the Federal Archives. The mailing address is: National Archives - Atlanta Branch, 1557 St. Joseph Avenue, East Point, Ga. 30344.

The records are filed by Draft Board Districts, which normally means by State and by County and in some cases by Township. In New York City each of the City's 83 State Assembly Districts had a draft board. Inquiries to the National Archives will need to include the geographical location of the Draft Board at which your ancestor (or other relative) registered in 1917 or 1918. (Note: Thus far, these registration records are not alphabetical by States and probably not by Counties.)

For the genealogist, the most important information shown is the date and place of birth (including town, state, of the registrant (province) and country). Also included was the name and place of employment, citizenship status, physical description, and other general information.

The first registration took place Tuesday, June 5, 1917. By Presidential proclamation it was designated as Registration Day and made a national holiday. The Draft Law required that all men, including aliens, between the ages of 21 and 30 inclusive (that is, born between June 6, 1886 and June 5, 1896) had to register. Only those already in military service were exempted. By June 16th, over 10 million men were registered which exceeded the Census Bureau estimate of civilian males in that age group.

The second registration took place a year later June 5, 1918. All men who reached 21 years of age since the last registration were required to present themselves to their closest Draft Board. The form was altered slightly. To the genealogist, the biggest change was that it now also included the birthplace of the registrant's father. Also spelled out was the name and address of the nearest kin. Some 800,000 21 year olds were enrolled nationally at this second registration.

A third registration took place August 28, 1918 and netted another 158,000 men who turned 21 since June 5th. The form did not change.

A fourth registration for the draft was expanded to include all men between the ages of 18 and 45 and was held September 12, 1918. Those in military service and those previously registered were exempt. Obviously, a very large number of men were enrolled. The form was revised slightly again.

When I started my research my goal was to trace the families to their arrival in America - this has pretty much been reached through the 11th generation. Some lines extend into generation 12 and beyond -- this information I will be happy to share on request.

(Note: Every father's number is twice that of his child. Every mother's number is her husband's number plus one.)

THE ARCHIVIST

Genealogical Society of Bergen County, New Jersey

Vol. XIV, No. 3

August 1987

P.O. Box 103, Hillsdale, N.J. 07642

MEETINGS: The Society has been searching for some time for a more suitable meeting place to accommodate our membership. Through the efforts of Barbara Flurchick, Search Committee Chairperson, the Midland Park Library has offered to allow us to meet in their spacious meeting room. Before a formal vote is held by the membership on the move, the Society will hold trial meetings in the Midland Park Library on Sept. 28 and Oct. 26, 1987 at the regular time of 7:30 P.M. (both fourth Mondays). The Library is located at the intersection of Godwin Ave. and Franklin Ave. You can also turn in on Highland Ave. (off Godwin) and park behind the Police Station. This large parking lot backs up to the library property. It is hoped that everyone will try to attend so we can have your input before making a permanent decision.

We hope that you all were able to do some genealogical digging during your vacation, and that you'll take the time to share the results with the rest of us at the September 28 meeting.

As we start a new season, a reminder that in case of inclement weather please call Louisa Lavelle 261-7599 after 4:00 P.M. (or any of the other officers) to confirm that the meeting will be held or cancelled.

NOMINATING COMMITTEE: The following members were appointed to the nominating committee: Margaret Ross, Annabelle Courtney and Ed Maszalec. The committee will present a slate of officers at the November meeting.

She lived in Teaneck, Ridgefield Park, and Englewood, N.J. for many years. In 1968 she moved to Virginia "to get away from the ice and snow" and to be near her son Thomas Caldronney (an M.D.). She wrote recently that she is now living in a retirement home and is "enjoying good health". Lillia sends greetings "to all my friends in New Jersey". She also asks that her mail be sent c/o her son's address:

MEETINGS: The next regular meetings will be held November 23 and January 25 (both fourth Mondays) at 7:30 P.M. at the Midland Park Public Library located at the intersection of Godwin Ave. and Franklin Ave. Additional nearby parking also is available behind the Police Station by turning off onto Highland Ave. (from Godwin). There is no meeting in December. The public is welcome to all regular meetings.

PROGRAMS: Mrs. Gardner Watts of Suffern, N.Y. will speak to us on Suffern (N.Y.) families and genealogy at the November 23 meeting. Suffern is in Rockland County, N.Y. and just across the state line from Mahwah, N.J. One of our members, Rev. William Lydecker of Allendale, N.J. will speak on the Blauvelt family and the New Netherlands project at the January 25 meeting.

Several of our members attended family reunions this year. Two of them reported on their experiences at the October 26 meeting. June Wick of Waldwick, N.J. attended the VanVorhees Association annual reunion. The Association has over 400 members. Some 50 to 100 normally attend the reunion which is usually held in New Brunswick, N.J. area. The original Van Vorhees was Stephen Coerte who took the name of Van Voorhees sometime after 1664 when the English took over New Amsterdam from the Dutch and renamed it New York City. The number of descendants probably exceeds 10,000 today. She also commented on the Wyckoff and the Scudder families which also hold annual reunions.

June Columbo of Waldwick, N.J. reported on the Stoutenburgh family reunion held in upstate New York. They are the descendants of Peter Stoutenburgh who came to New Amsterdam from Holland in 1639. The Association owns part of the property in Hyde Park, N.Y. that was the site of the old Stoutenburgh manor house.

PAST OFFICERS AND ORGANIZATION OF OUR SOCIETY

(Abbreviations: p-president; vp-vice president; t-treasurer; s-secretary; rs-recording secretary; cs-corresponding secretary; (p)-part of year.)

In November 1972, after meeting informally since January 1971 as the Pascack Genealogy Workshop, a group of 10 people organized officially and elected officers. Most had taken a genealogy course taught by Charles Gibbs, who also was an advisor to the group. The first official meeting of the Pascack Genealogy Workshop was held January 22, 1973 at the Westwood Public Library. Fourteen people joined officially at that meeting and are considered charter members. The first issue of the Archivist, the Society's newsletter, was distributed at that meeting.

In July 1974 the name of the group was changed to the Pascack Genealogy Society. In November 1978 the membership voted to change the name to the Bergen County Genealogical Society. In September 1980 the name was further revised to the Genealogical Society of Bergen County, New Jersey.
